

PROPOSED SPECIFIC PURPOSE TAX PROJECTS  
 UPDATED LIST – May 28, 2022

This list represents important, but unfunded infrastructure projects that have been identified by jurisdictions and organizations throughout Sweetwater County. This is a slightly modified compilation of projects for the proposed 2022 specific purpose tax initiative, reflecting some changes to Green River’s initial list. A committee of elected officials from all of the jurisdictions will be working to collect input from citizens and stakeholders on what they think are the highest priority projects to understand people’s appetite for a time-restricted specific purpose sales and use tax rate increase. You can click on each name to see more detail. And be sure to [visit our website often](#) for updates.

<u><a href="#">BAIROIL</a></u>		\$2.24 MILLION
<ul style="list-style-type: none"> <li>● Paving a dirt road from Indian Paintbrush to HWY 73 to accommodate heavy trucks</li> <li>● <del>Bitterroot/Rodeo road paving and street repair</del></li> <li>● <del>Water/sewer and street improvements</del></li> <li>● <del>Replacement of all water flow valves above ground and inside buildings and upgrading chlorine system with automated injection, alarms, and bypass valves</del></li> </ul>		\$2.24 million  \$851,000 \$616,500 \$640,000
